

# BIG SCIENCE SWEDEN 2020 CONFERENCE AWARD

*This is an award for an individual showing particular engagement in helping to build Sweden as a Big Science nation and in driving Big Science Technology.*

## **Big Science Sweden Influencer: Research Facility**

By sharing his in-depth knowledge with pedagogical skill, this person inspires curiosity about the Big Science world. He is always prepared to collaborate with the Big Science ecosystem by giving presentations, educating, and connecting people. Jérôme Pierlot has been a key figure in developing long-term relationships between Swedish industry, academia, and CERN.

Thank you, Jérôme!
